

Love on the roof

Raccoony & Bobcat were playing on the roofing house roof when suddenly the mood shifted to passion. When Raccoony got a whiff of Bobcat's scent she had to snuggle with him right there and then.

In a romantic moment Raccoony stole a whiff of Bobcat's magical scent

Earth was making it's closest approach to the sun that January in 2009. The full moon was said to be the largest and brightest all year. It became a romantic event that took both cats by surprize.
